new magazines

basso magazine #7

basso magazin is a crossover zine between sex and art, put together from contributions from the members of basso family to a given subject. basso magazin doesn't have consumer friendly periodical standards such as page numbers or editorial introductions, it can be seen as a montage of ideas in text and image, put together to an intuitive flow. Its contributors vary from basso neighbours to celebrated artists.

Ve

Veneer magazine issues 01 - 05

Veneer has included contributions from contemporary artists, writers, inventors, technicians, and musicians such as Adrian Piper, George Kuchar, GoodiePal, Lucky Dragons, Elaine Sturtevant, Kevin Kelly and Ray Kurzweil. Veneer is known to fetishize the materials and processes involved in each issue. Past methods have included printing on a variety of paper stocks with unique letterpress and offset techniques, bull-whipping of each individual issue, sprayfoam, embedding of titanium pieces, embedding of cubic zirconiums, and application of Brut Deodorant and Chantilly Lace perfume.
